SUPPLEMENTAL NOTICE ON TECHNICAL CONFERENCE

(June 5, 2001)

On May 31, 2001, the Commission issued a notice that a technical conference will be held on June 19, 2001 to discuss interregional coordination among RTOs.

Interested persons should file a request to speak on or before June 8, 2001. These requests may be submitted by e-mail to David P. Boergers, Secretary of the Commission, at david.boergers@ferc.fed.us. Please include the docket number (PL01-5-000) in the subject heading of the e-mail and follow up with a letter¹ filed with: David P. Boergers, Secretary, Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426. The request should clearly specify the name of the speaker, his or her title, the person or entity being represented, the speaker's telephone number, and a brief one page summary of the issue or issues being addressed.

All interested persons are invited to attend.

Since the number of persons desiring to speak may exceed the time available, we encourage you to join with others who may have similar interests. Based on the requests to participate, panels of speakers will be specified in a separate notice. For additional information about the conference, please contact Saida Shaalan at (202)208-0278.
