**ORDER OF CHIEF JUDGE CONFIRMING
GRANT OF MOTION TO INTERVENE
(Issued July 11, 2001)**

At the settlement conferences held herein, the Chief Judge for good cause shown, granted The Port of Seattle, Washington (Seattle) late-filed motion to intervene, finding that Seattle had an interest which may be directly affected and which is not adequately represented or protected by existing parties in this proceeding. There was no objection to the granting of this intervention.

The intervention granted herein shall not be the basis for broadening the issues nor for delaying or deferring any procedural dates heretofore established for the orderly and expeditious disposition of this proceeding.
