Docket No. EL00-98-042

**ORDER APPROVING TRANSCRIPT CORRECTION
AND CONCERNING COURTESY COPIES**

(Issued May 30, 2002)

1. By a motion filed May 22, 2002, the Los Angeles Department of Water and Power (LADWP) requests correction of the transcript of the § 202(c) hearing at Transcript page 2605, line 3, to insert "DWP-3" before "DWP-4R" and at line 9, to insert "-3" after "-2". LADWP states that the changes were provided to ListServe, the unofficial online message center for all participants, and that none have objected to the proposed transcript corrections. In these circumstances, good cause is present to grant the motion and approve these proposed transcript corrections.
2. The requirement for courtesy copies of filings to be provided to me in both hard copy and e-mail format is modified to require the provision only of e-mail hard copies concurrent with the filing of pleadings in the instant proceedings before me.
