ORDER CONCERNING WILLIAMS' MOTION TO AMEND TESTIMONY

(Issued July 25, 2002)

1. On July 25, 2002, Williams Energy Marketing & Trading Company filed a motion to amend its July 3, 2002 testimony that concerned emissions costs. Williams avers that other participants have had notice of the nature of the amended testimony and as such will not be prejudiced. The fact remains that rebuttal testimony is due by July 26, 2002. Answers in opposition to the motion shall be filed by close of business on July 26, 2002. In the event that there is no objection to the acceptance of Williams' amended testimony, to accommodate Williams' short-sighted request and the trial schedule time constraints, any participant wishing to file rebuttal testimony with regard to Williams' amended testimony shall file such testimony not later than July 30, 2002.
