and Standard Electricity Market Design

Docket No. RM01-12-000

ERRATA

(August 12, 2002)

On July 31, 2002, the Commission issued a Notice of Proposed Rulemaking in the above-docketed proceeding. In an Errata issued on August 1, 2002, the last sentence to Paragraph No. 579 was deleted, but the associated footnote was not. Therefore, Footnote No. 247 that reads "Section 284.12(b) of our regulations identifies the business practice and electronic communication standards promulgated by the Gas Industry Standards Board (now known as NAESB) that interstate pipelines must comply with" should be deleted.
