

UNITED STATES OF AMERICA  
FEDERAL ENERGY REGULATORY COMMISSION

Before Commissioners:

Remedying Undue Discrimination  
through Open Access Transmission Service  
and Standard Electricity Market Design

Docket No. RM01-12-000

NOTICE OF TECHNICAL CONFERENCE AGENDA

(December 4, 2002)

1. As announced in the Notice of Technical Conference issued on November 20, 2002, Commission staff will convene a technical conference on December 6, 2002 to discuss and analyze proposed rules for cyber-security. This notice provides further organizational details and the conference agenda.
2. The conference will begin at 9:30 a.m. and will adjourn at about 3:00 p.m. It is scheduled to take place at the Commission's offices, 888 First Street, N.E., Washington, D.C., in the Commission Meeting Room on the second floor. The agenda is appended to this notice as Attachment A.
3. The conference is open for the public to attend, and registration is not required; however, in-person attendees are asked to notify the Commission of their intent to attend by sending an e-mail message to [conferences@ferc.gov](mailto:conferences@ferc.gov).
4. Transcripts of the conference will be immediately available from Ace Reporting Company (202-347-3700 or 1-800-336-6646), for a fee. They will be available for the public on the Commission's FERRIS system two weeks after the conference. Additionally, Capitol Connection offers the opportunity for remote listening and viewing of the conference. It is available for a fee, live over the Internet, via C-Band Satellite. Persons interested in receiving the broadcast, or who need information on making arrangements should contact David Reininger or Julia Morelli at the Capitol Connection (703-993-3100) as soon as possible or visit the Capitol Connection website at <http://www.capitolconnection.gmu.edu> and click on "FERC."
