Docket No. RM02-16-000

NOTICE OF POST-NOTICE OF PROPOSED RULEMAKING
REGIONAL WORKSHOPS AND
POST-WORKSHOP DRAFTING SESSION

(February 4, 2003)

After the Federal Energy Regulatory Commission (Commission) issues its Notice of Proposed Rulemaking (NOPR) for a new hydroelectric licensing process, Commission staff will host regional stakeholder workshops and conduct a post-workshop stakeholder drafting session.

Both the regional stakeholder workshops and the post-workshop stakeholder drafting session are not intended to address issues pending in individually docketed hydropower cases before the Commission. Therefore, all participants are requested to address the agenda topics and avoid discussing the merits of individual proceedings.

Post-NOPR Regional Stakeholder Workshops

Five, two-day regional stakeholder workshops, and the one, one-day workshop will be held in the cities and on the dates and times listed in the following table. With the exception of the one-day workshop in Washington, DC, each two-day regional stakeholder workshop provides separate days for tribal and public attendance, although anyone may attend either or both of the workshops. Specific details regarding the structure and procedures for the regional stakeholder workshops will be posted on the Commission's web site by February 27, 2003.
