

UNITED STATES OF AMERICA
FEDERAL ENERGY REGULATORY COMMISSION

Hydroelectric Licensing Under the Federal
Power Act

Docket No. RM02-16-000

ERRATA NOTICE

(August 4, 2003)

On July 23, 2003, the Commission issued a "Final Rule, Order No. 2002" in the above-docketed proceeding. 104 FERC ¶ 61,109.

The Final Rule is corrected as follows:

At paragraph 437, remove the phrase "three months following the publication of the rule in the Federal Register" and add in its place "on October 23, 2003".

At paragraph 439, remove the phrase "three months following publication of the final rule in the Federal Register" and add in its place "on October 23, 2003".

On page 242 (in the regulatory text of the document), the first line on that page, change instruction number 13 to instruction number 12. The instruction should read:

"12. Amend § **4.39** as follows:"

The instructions following number 12 in the regulatory text, numbers 13 through 46, are renumbered accordingly.
