FEDERAL ENERGY REGULATORY COMMISSION

Transactions Subject to FPA Section 203

Docket No. RM05-34-002

ERRATA NOTICE

(August 1, 2006)

On July 20, 2006, the Commission issued Order No. 669-B,¹ an order on rehearing and clarification affirming, with certain clarifications, the determinations made in Order Nos. 669² and 669-A,³ and revising 18 C.F.R. section 33.2(j)(1) accordingly. The regulatory text in the revision incorrectly refers to “transactions” rather than “transaction”.

Accordingly, the language for 18 C.F.R. section 33.2(j)(1) is revised to read:

Of how applicants are providing assurance, based on facts and circumstances known to them or that are reasonably foreseeable, that the proposed transaction will not result in, at the time of the transaction or in the future, cross-subsidization of a non-utility associate company or pledge or encumbrance of utility assets for the benefit of an associate company, including:
